

Torrance Rose Float Association

June 2020

President's Message

I hope that you and your family are doing well during this pandemic. When this settles down and we can connect, many of our conversations will be about what we did during this time, we have been thinking about what effect this situation will have on our float. At this point the Pasadena Tournament of Roses has not decided whether there will be a Rose Parade January 1st, 2021. The Pasadena Tournament of Roses has stated that due to the evolving nature of this situation, current and future restrictions on mass gatherings might require them to reassess whether there will be a parade or Rose Bowl game. We expect to know, based on the recommendations, restrictions, and decisions of our public officials, whether they will be able to host the 2021 Rose Parade in early July. Once we hear from Tournament, we will let you all know.

We are all looking forward to getting back to a level of normalcy in our daily lives, meanwhile I hope you are healthy and safe during these extraordinary times.
