

Torrance Rose Float Association
2023 ROSE FLOAT DESIGN CONTEST ENTRY RELEASE FORM

It's not too early to be creating a design for the City of Torrance's Rose Parade float entry into the annual Pasadena Tournament of Roses Parade. Any high school student living in Torrance can submit an entry - membership in the Association is not required. Design ideas with a simple sketch must be received by the Association by 8:00 p.m. on Friday, January 28, 2022.

The Judges will select at least four designs to present to the Board of Directors of the Association who will then make the final choice. The judging will be done on a "blind" basis - the identity of the designer(s) will not be known until after the final vote. The winning designer(s), as accepted by Pasadena Tournament of Roses Association, will receive a ride on the 2023 Rose Parade Float. If there is more than one designer, the prize will be shared between them.

RULES AND TIPS:

- 1) The sketch of the design must be in black and white and on paper no larger than 11" by 17" in dimensions. No color sketches or oversize paper will be accepted.
- 2) Keep in mind the logistics of converting the design into a float. While only a very simple sketch is required, more detail can help the decision process. A written explanation of the ideas and representations of the design could be helpful and can be included.
- 3) **Place this completed and signed entry form in a sealed envelope on the back of the sketch (not the front) to identify the designer/artist(s).**
- 4) The selected designer(s) may be asked for consultation on the Design, Construction and Decoration Committees.
- 5) By submitting this entry form, the designer(s) grants to the Torrance Rose Float Association the exclusive right to use and modify the design and the ideas represented by the sketch of the design submitted with this entry form, as well as any explanation provided. Designer(s) warrants and represents that the entry is original, not from a copyrighted work and not created by any other party. Designer(s) warrants and represents that he/she has not submitted the same or any similar sketch of the design to any other agency participating in the next Pasadena Tournament of Roses Parade. Designer(s) understands that he/she will receive no compensation, monetary or otherwise, for the use of the design and that the Torrance Tournament of Roses Association, any legal successor, the City of Torrance and the Pasadena Tournament of Roses Association have no obligation of any kind towards designer(s). By signing this entry form I/we agree to these terms.
- 6) If the designer's idea is not selected by the Torrance Tournament of Roses Association, upon request of the designer(s), the Torrance Tournament of Roses Association will return the sketch of the design provided by the designer(s) in support of this entry form.

TORRANCE ROSE FLOAT ASSOCIATION 2021 Rose Parade Theme: "tbd" Deadline: 8:00 p.m. on Friday, January 28, 2022. Mail or deliver designs to: 3031 Torrance Blvd., Torrance, CA 90503

2023 Theme Hint Statement

The 2023 theme celebrates turning a corner. Whether that corner is actual—like the one at the famous turn onto Colorado Boulevard, signaling the parade’s start, or figurative like the unlimited potential that each new year brings—we all enjoy the opportunity of a fresh start.

Turning a corner means rising above – alone, or with friends, family, and community, – it means realizing dreams and pursuing possibility. This year, as we turn the corner together, we share in the hope, beauty, and joy of what 2023 will bring.

Torrance Rose Float Association Notes:

The actual theme title will not be officially announced until late January 2022.
